12000 affectees of Attaabad Lake get clean drinking water facility

IDPs of Jutal camp II get access to clean drinking water.

Gilgit, June 4: Muslim Aid, a UK based relief and development agency has installed water purification units in Al-Azhar , Jutal I, Jutal II IDP camps, which were established for the affectees of Hunza Lake affectees. Muslim Aid keeping in view the dire need of clean drinking water immediately established water purification units to cater the needs of the residents of IDP Camps.

Sr. No	Location	Facilities/Activities	Water Turbidity	Beneficiaries
1	Chilmaadas (Al-Azhar College)	<ul style="list-style-type: none"> Provision of Aquatabs, Pure Sachet Installation of water purification unit 	<p>Before Purification 8.5</p> <p>After Purification 0.74</p>	1300 People
2	Jutal Camp I	<ul style="list-style-type: none"> Provision of Aquatabs, Pure Sachet Installation of water purification unit 	<p>Before Purification 25.75</p> <p>After Purification 1.75</p>	10,000 People
3	Jutal Camp II	<ul style="list-style-type: none"> Provision of Aquatabs, Pure Sachet Installation of water purification unit 	<p>Before Purification 26</p> <p>After Purification 0.33</p>	800 People

Muslim Aid Project Coordinator WASH (Hunza Project) said that there was acute shortage of clean drinking water in the IDP camps and this was a worsening situation. So, we are providing access to clean drinking water for IDPs of three camps. He further said that water purification tablets (Aquatabs) and pure sachets were also distributed in different IDP camps. Availability of water tanks were also made sure to provide water under Water for Life Programme of Muslim Aid.
